New business

- **The children’s fishing rodeo held annually in Lorimer Park was successful.**
- **Fishing in the Pennypack Creek is still good**
- **Trees were donated and planted in the upper watershed of the Pennypack Creek.**
- **46 more trees were planted in “Wilson Woods” completing the project.**
- **Stream work is needed in the creek within the Trust to improve water flows. If you are able and interested contact Rich Terry.**
- **The Chapter trip to Penns Creek is from May 31 to June 3**
- **Several members from our Chapter went on a trip to Lake Ontario to fish for Kings, Laker’s and Browns. They caught several very nice fish from their charter boat. The cost was reasonable and a good time was had by all.**
- **There are two eaglets in the nest located in the Trust. They appear to be doing well.**
- **Director David Robinson will be retiring from his position with the Trust on June 3, 2018.**

- There will be two Trout in the classroom releases this year: The Pennypack School on 5/18 and the Fox Chase school on May 21.

Speaker:

- Don Rank with a presentation on fly fishing Clarks Creek.

Tight Lines,

Clem Mclaughlin
