**Don Rank, Vice President**

**Dennis O’Gara, Treasurer**

**Clem Mclaughlin, Secretary**

**Dennis Mora, Membership**

**Minutes from previous meeting read approved and seconded**

**Treasurer’s report read approved and seconded**

**New business**

- **Chapter website: Seth reported the new Chapter website is up and running and may be reached through the national site platform. This new site is not the easiest to navigate through or to post on. However it is provided free of charge from national. We also maintain a Facebook page and are moving towards having our own website eventually where we can all share info and pictures easily.**
- **Chapter trip: The Chapter is heading to the Salmon River for a five-day Steelhead trip 11/16 to 11/20. We will lodge and fish at the Douglaston Salmon Run, Meadow Lodge. This affordable annual trip is always fun and books early. If you would like to attend next year, we usually talk it up in February.**
- **Chapter trip: The 2019 Chapter Fishing Trip will be to the Frying pan River in Colorado. Lodging and guiding will be provided by Taylor Creek Cabins for the dates are 8/17/19 – 8/24/19. Projected costs are estimated to be \$1,700.00 and includes lodging, airfare and car**

rental. Guiding and food are paid for separately when we get there. See Dennis Heim to sign-up.

- Pennypack Creek water monitoring program is going well. Participation by Chapter members is a big help.

**Speaker:**

- Henry Ramsay, with a presentation on fly-fishing Pennsylvania's headwaters.

**Tight Lines,**

**Clem Mclaughlin**
